

The Process is Simple!

To Get Started, simply place a deposit online or directly over the phone with our customer service team. We'll provide you with directions on how to care for and overnight ship your flowers to our facility.

- Overnight your flowers to us using the overnight carrier of your choice.
- We'll preserve your flowers immediately upon their arrival at Keepsake Floral.
- Within several weeks, you'll work one-on-one with one of our designers via phone to help you make selections for the creation of your custom keepsake.
- After final payment, your keepsake will be custom-crafted according to your specifications. Your flowers will be enclosed in your chosen keepsake, protecting the flowers from damage due to humidity, dust and other everyday conditions.
- Your keepsake will be custom-crafted according to your selections and specifications...and your flowers will be enclosed in the keepsake of your choosing, protecting the flowers from damage due to humidity, dust and other everyday conditions...prolonging their life for decades!
- Finally, your keepsake will be white-glove inspected, packaged and shipped to you to be enjoyed as a special heirloom for decades to come.

From an entire floral arrangement
to just one or more select flowers,
Keepsake Floral will professionally preserve the actual
flowers utilized in your loved one's memorial service or
funeral. We can include personal memorabilia along
with the flowers, like a prayer card, favorite trinket or
photo or simply allow the flowers alone to tell the story
of your loved one.

Each keepsake is **custom designed**

according to the client's specifications in our Central
Florida facility from start to finish.

It's hardly ever too late to get your special flowers
to Keepsake Floral for preservation!
